

## BICYCLE MECHANIC

### **About the Company:**

Welcome to a new kind of bike shop. Rooted in the belief that cycling and triathlon should be more affordable, accessible and sustainable. We've set out to make it easy & valuable for people to pass on their old bikes, parts & gear, while others, whether local or global, score some awesome deals on those same goods. Not only are you sure to save or make money, but you'll help to conserve resources and contribute to a healthier and cleaner planet. It's a practical solution that all can be a part of.

### **The Role:**

We are seeking a dynamic, part-time or full-time Mechanic who enjoys providing friendly customer service while upholding our quality standards.

### **Location:**

We're based in Pasadena, California, serving cyclists from Los Angeles County to the rest of the world.

### **Availability:**

The Mechanic must be able to work weekdays, weekends, and holidays. Our hours of operation are Tuesdays through Saturdays from 12:00 p.m. to 6:00 p.m. However, this integral position can require presence beyond hours that we are open, inclusive of preopening and post-closing job duties.

### **Primary Responsibilities:**

- Repair, clean, and assemble bicycles and related products
- Assist customers within store sales
- Provide exceptional service while achieving favorable results

### **Qualifications/Requirements:**

- Excellent people skills, outgoing and upbeat personality
- Sense of urgency to achieve tasks quickly and efficiently
- Ability to multitask while keeping quality service a top priority
